Customer Feedback: -

This is Harsha. After searching house interiors in multiple sites rigorously for my 3bhk new home and after seeing some feedback, we contacted Cee Bee Design Studio, Bangalore.

We got 3D designs and virtual reality walkthrough was real technology which gave us

more clarity how my home is gonna look like before we finalising designs itself. Designer were so friendly and team responded to us late nights, on holidays as well, we have huge gratitude towards them. Their site supervisor took full responsibility till the completion of work.

Whole family is really happy in the process, after housewarming lot of our friends and relatives liked our house and we are excited as this is our first home dream.

Thankyou Cee Bee Design Studio Team.
